

April 11, 2007

To all potential sponsors & golfers

I want to take this opportunity to introduce myself. My name is Mike Coulas and my 8 year old son Nathaniel was a recent recipient of the Children's Wish Foundation. He was awarded his wish to Disney World in August 2006.

This trip was the greatest experience of his life as he had the chance to meet many of his Disney Character friends. Without the support of the Children's Wish Foundation this trip would not be possible as my son has many complex health issues including; Down syndrome, tracheostomy tube for breathing & G-tube for feeding.

Since our return I have decided to give something back to the Children's Wish Foundation (charity #12403 8878 RR0001) so other children can have their wish come true. I am currently setting up the inaugural Children's Wish Foundation Charity Golf Tournament to take place on September 4 2007.

We are looking for sponsors, and golfers to join us and help raise the much needed funds to make these special wishes come true for these special children. There are many different ways companies and individuals can participate. We are looking for both corporate and individual sponsorship as well as auction items, both live & silent. You can also help just by coming and golfing with us for as little as \$175.

We are anticipating having a minimum of 72 golfers; ultimately we would like to have 144 golfers. Please contact me directly at the below phone numbers if you have any questions. You can also fill out the attached entry form & send it by mail along with your cheque made payable to Children's Wish Foundation to the address listed below or fax it with your Visa or MasterCard number to 403 251-2916.

The Children's Wish Foundation will be the beneficiary for this event. It is support such as this that enables them to continue to grant the favourite wishes of children suffering from high risk, life-threatening illnesses and ensure they never have to say "no" to a child's wish. They are dedicated to granting the special wishes of Canadian children with high-risk life threatening illnesses, the Children's Wish Foundation of Canada is the only national Canadian organization of this type with a Chapter in every province. Their Alberta/NWT Chapter office is located in Calgary with Subchapters located in, Edmonton, Grande Prairie, Lethbridge, Medicine Hat, Red Deer and Yellowknife, NWT.

The Foundation knows many children whose time is limited and their goal for these special children is to let them realize the joy of their fondest wish coming true. To the families, it provides a positive, happy experience and lasting memories that will be cherished for a lifetime.

The Alberta Chapter alone has granted over 900 wishes for special children. At a national level they have granted over 12,000 wishes. The funds to underwrite these wishes have all been raised without assistance from government agencies, and they are not affiliated with an umbrella organization (i.e. United Way). All of their funding to date has been through individual donations from the public, through fundraising events supported by the public and the local corporate community.

Their children suffer from various life-threatening illnesses but the one thing they all have in common is bravery and the strong will to fight and live. They hope that one day there will be no need for their services, but until the day when all high risk, life threatening illnesses have cures they hope to continue to have the caring and support of people such as yourselves. It is through the generosity and hard work of these fundraisers that they are able to grant the wishes of these very deserving children.

On behalf of these very special children, I thank you again for your thoughtfulness and support.

With warmest regards, on behalf of:

THE CHILDREN'S WISH FOUNDATION OF CANADA
